During the term of this Agreement, the Employee's salary shall not be reduced, except as otherwise provided herein or as permitted by law.

D. Salaries shall be paid in equal installments in accordance with the Board's regular payroll schedule.

E. When assigned by the Superintendent, Employees shall be paid a stipend for overnight supervision of students while

outside of the Borough of Mendham on a Board-approved activity at the rate provided pursuant to the teachers' collective negotiations agreement.

F. Performance-Based Compensation

Effective July 1, 2013, the Parties agree to implement a performance-based compensation plan as set forth herein. Commencing with the 2013-14 school year, the Superintendent may recommend to the Board an additional salary increase to an Employee of up to one percent (1%) of the prior year's base salary. Such recommendation shall be in the sole discretion of the Superintendent and shall be based upon the Superintendent's assessment of the Employee's performance of his/her duties in the preceding school year as reflected in the Superintendent's annual summative evaluation. An Employee receiving an overall rating of "unsatisfactory" or "ineffective" in the summative evaluation shall not be eligible for any performance-based increase in compensation for the year following such evaluation. The Superintendent shall recommend any performance-based increase to the Board following the completion of the Employee's annual summative evaluation. Any performance-based increase in compensation shall be calculated on the Employee's base salary in effect during the school year for which the Employee's performance was evaluated. (For example, a 0.5% performance-based increase to be granted effective July 1, 2013 would be

multiplied by the Employee's 2012-13 base salary as listed above, and the resulting amount added to the 2013-14 salary listed above in order to determine the final 2013-14 base salary.) Any performance-based increase in compensation shall become part of the Employee's base salary effective as of July 1 of the school year immediately following the year of evaluation. The determination of the Superintendent and Board as to whether to award or amount of any performance-based increase in compensation shall be final and shall not be subject to or reviewable under the grievance procedure of this Agreement, including without limitation binding arbitration.

ARTICLE VII - HOLIDAYS

Employees shall be entitled to the following holidays if the holidays fall within their work year:

- Independence Day
- Labor Day

If legal observance of any of the above holidays falls on a weekend or a day when school is in session, a replacement holiday will be determined by the Board.

In the event it becomes necessary to work during a holiday when requested by the Superintendent, the Employee will be granted compensatory time which shall be scheduled with the prior approval of the Superintendent.

ARTICLE VIII - VACATIONS

A. Accrual

Requests to use accrued vacation days shall be submitted to the Superintendent for approval no earlier than April for a vacation during July and August and no later than fourteen (14) days in advance for all vacations unless the Superintendent agrees to waive the timelines at his/her sole discretion, whose decision shall be final and shall not be subject to or reviewable under the grievance procedure of this Agreement. Requests shall be made using the district form and providing an e-mail notice to the Superintendent. The form shall be date stamped by the Superintendent's office at submission. The Superintendent shall render a decision no later than fourteen (14) days from receipt of the vacation request.

No Employee shall be permitted to take a vacation when school is in session or carry over more than five (5) vacation days from one (1) school year for use in the next school year unless the Employee receives the prior written approval of the Superintendent. Exceptions to the limitation on the carry over of the five (5) vacation days may be granted by the Superintendent if, due to the demands of the position, the Superintendent determines that the Employee's workload precludes him/her from utilizing his/her vacation and shall require the Employee to use the vacation days carried over during the following contract year.

C. Payment to Estate

Payment for accrued vacation days not used shall be made to the Employee's estate if the Employee dies while employed by the Board. An Employee's per diem salary shall be calculated on the basis of a 260 day work year for twelve (12) month Employees, except for twelve (12) month Employees hired prior to July 1, 2009 whose per diem salary shall be calculated on the

basis of a 240 day work year. If the law establishes the calculation of per diem salary on the basis of a 260 day work year for administrators, then the per diem salary for the twelve (12) month Employee hired prior to July 1, 2009 shall no longer be calculated on the basis of a 240 day work year and shall instead be concluded on the basis of a 260 day work year.

Such rights include but are not limited to:

1. The executive management and administrative control of the school system and its properties and facilities, and the activities of its employees in the performance of their school assignments.
